

## REMARKS

### Election/Restrictions

In this Office Action, the Examiner sets forth a restriction requirement and asserts that the present application contains claims directed to the following patentably distinct inventions:

Group I : Claims 1-14, drawn to a glass molding die structure; and

Group II : Claims 15-32, drawn to a method for coating a molding die.

Response to the restriction requirement mailed on April 3, 2006, Applicants hereby elect Group II, (claims 15-32), without traverse. This election is made without prejudice to Applicants' right to file divisional applications directed to the non-elected inventions, should such divisional filings become appropriate.

A prompt and favorable action on the merits of this application is now respectfully requested.

No fee is believed to be due in connection with this amendment and response. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to Deposit Account No. 20-0778.

Respectfully submitted ,
